Dear Attorney General McDonnell:

In compliance with Virginia Code § 18.2-186.6, B, we are notifying your office of a possible breach of the security of the data system being used by the CPA firm responsible for auditing the Colonial Foods, LLC Employee 401(K) Plan. More specifically, the CPA firm, Suttle and Stalnaker, had a laptop computer stolen that contained unencrypted and unredacted personal information regarding our employees that could cause identity theft or other fraud to residents of the Commonwealth of Virginia. The details of the breach are set forth more particularly in the enclosed letter dated October 1, 2008 from Suttle and Stalnaker.

Enclosed also is a copy of the Notice we have sent to the potentially affected employees in compliance with Virginia Code § 18.2-186.6.

Sincerely yours,

Michael McClellan
