How to enroll online

Equifax has a simple Internet-based verification and enrollment process. To enroll, go to www.myservices.equifax.com/tri, and follow these steps:

1. Consumer Information: Complete the form with your contact information (name, address and e-mail address) and click the “Continue” button. The information is provided in a secured environment.
2. Identity Verification: Complete the form with your Social Security Number, Date of Birth, telephone #'s, create a User Name and Password, agree to the Terms of Use and click the “Continue” button. The system will ask you a few security questions to verify your identity.
3. Payment Information: During the “check out” process, provide the following Promotional Code: **ENTER PROMOTIONAL CODE HERE (CODE SHOULD BE IN 14 POINT BOLD FONT TO STAND OUT TO THE AFFECTED INDIVIDUAL)** in the “Enter Promotion Code” box. (Case sensitive; include the dash, no spaces before or after the code.) After entering your code, press the “Apply Code” button and then the “Submit Order” button at the bottom of the page. This code eliminates the need to provide a credit card number for payment.
4. Order Confirmation: Click “View my Product” to access your Equifax Credit Report.

How to enroll by phone

If you do not have Internet access, you can apply for the US Mail delivery of the product by dialing 1-866-937-8432 for access to the Equifax Credit Watch automated enrollment process. Note that all credit reports and alerts will be sent to you via US Mail only.

1. **Promotion Code:** You will be asked to enter your promotion code as shown above (no spaces, **no dash**)
2. **Customer Information:** You will be asked to enter your home telephone number, home address, name, date of birth and Social Security Number.
3. **Permissible Purpose:** You will be asked to provide Equifax with your permission to access your credit file and to monitor your file. Without your agreement, Equifax can not process your enrollment.
4. **Order Confirmation:** Equifax will provide a confirmation number with an explanation that you will receive your Fulfillment Kit via the US Mail (when Equifax is able to verify your identity) or a Customer Care letter with further instructions (if your identity can not be verified using the information provided).

Fraud Alert

A fraud alert is a consumer statement added to your credit file that lasts 90 days. Once the fraud alert statement is added to your credit file, it alerts creditors of possible fraudulent activity as well as requests that they contact you prior to establishing a credit account in your name. To place a fraud alert on your Equifax credit file, you may contact Equifax's automatic fraud line at 877-478-7625, and follow the simple prompts. Once the fraud alert has been placed with Equifax, a notification will be sent to the other two credit reporting agencies, Experian and TransUnion, on your behalf.

Additional Resources for Credit Protection

We would like to make you aware that there are additional resources available to help protect your personal information. You can request a free copy of your credit report once every 12 months from each of the three major consumer-reporting agencies: Equifax, Experian and TransUnion.

These agencies also offer a free fraud alert, which alerts a person when credit is applied for in his or her name and signals creditors to contact a person for permission to issue credit in his or her name. You only need to contact one agency to have a fraud alert take effect with all three agencies.

To place a fraud alert on your credit or to request a free copy of your credit report, simply contact one of the following agencies:

- **Equifax:** 877-478-7625 or www.equifax.com
- **Experian:** 888-397-3742 or www.experian.com
- **TransUnion:** 800-680-7289 or www.transunion.com
