Dear Sir/Madam:

I write on behalf of ADP, Inc. ("ADP") to advise of a potential security breach which may have affected 318 residents of Massachusetts. Approximately 9078 individuals in total were impacted.

ADP provides payroll reports and related services to Oldcastle Precast, Inc., the employer of the affected individuals. In September of 2008, an associate at ADP inadvertently sent a file via email, which was believed to contain sample data, to a Human Resources team at another ADP client. The file in fact contained personal information including name, address, home phone number, date of birth, social security number, gender and other related HR/Payroll information, of employees of Oldcastle Precast, Inc., an ADP client. Upon receipt of the file, the other ADP client notified ADP of the error. The client's team, all professionals who routinely handle sensitive information, has provided ADP with written confirmation that all email and copies of the file have been deleted and that no additional copies were made or printed.

ADP has conducted a full and thorough investigation of this incident. Our investigation has confirmed that this unfortunate incident was a result of a violation of ADP policies. ADP is continuing to review its controls and will make all necessary efforts to strengthen security measures in place to safeguard client data. ADP has an enterprise wide information security program, and many security procedures, practices and safeguards to protect client data including, but not limited to, policies concerning training and testing, the disposal of confidential data, and the use of secure email to transmit confidential data.

ADP is unaware of any actual injury caused by this incident. ADP is in the process of notifying all of the impacted individuals and will be offering credit monitoring and identity theft insurance to those individuals. (A sample copy of the letter sent to our client's employees is attached.)

Please do not hesitate to contact me with any questions or concerns.

Very Truly Yours,

Alyson Weckstein Tiegel

Should I Do Anything Else?

* Identity Fraud Expense Reimbursement Master Policy underwritten by Travelers Casualty and Surety Company of America and its property casualty affiliates, Hartford, CT 06183. Coverage for all claims or losses depends on actual policy provisions. Availability of coverage can depend on our underwriting qualifications and state regulations. Coverage not available for residents of New York.

You may wish to place a fraud alert on your credit report. The fraud alert is a consumer statement that alerts creditors of possible fraudulent activity within your report as well as requests that they contact you prior to establishing any accounts in your name. Once the fraud alert is added to your credit report, all creditors should contact you prior to establishing any account in your name. To place a fraud alert on your Equifax credit file, you may contact our auto fraud line at 1-877-478-7625, and follow the simple prompts. Once the fraud alert has been placed with Equifax, a notification will be sent to the other two credit reporting agencies, Experian and Trans Union, on your behalf.

We also recommend that you carefully monitor all of your account statements and your credit reports during the next 12 to 36 months to make certain there have been no unauthorized transactions made or new accounts opened in your name. Contact your financial institutions immediately if there is unauthorized activity on your accounts or if an unauthorized account has been opened in your name.

Do I Have Any Other Rights?

If you believe that you may be a victim of identity theft, you have a right to obtain a police report.

In addition, Massachusetts law gives you the right to place a security freeze on your consumer reports. A security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, using a security freeze may delay your ability to obtain credit. You may request that a freeze be placed on your consumer report by sending a request to a credit reporting agency by certified mail, overnight mail or regular stamped mail to the address below.

Allen, TX 75013
www.experian.com

TransUnion (FVAD)
P.O. Box 6790
Fullerton, CA 92834-6790
www.transunion.com

The following information should be included when requesting a security freeze: full name, with middle initial and any suffixes; Social Security number; date of birth (month, day and year); current address and previous addresses for the past two years; and applicable fee (if any) or incident report or complaint with a law enforcement agency or the Department of Motor Vehicles. The request also should include a copy of a government issued identification card, such as a driver's license, state or military ID card, and a copy of a utility bill, bank or insurance statement. Each copy should be legible, display your name and current mailing address, and the date of issue (statement dates must be recent).

The consumer reporting agency may charge a reasonable fee of up to \$5.00 to place a freeze or lift or remove a freeze, unless you are a victim of identity theft or the spouse of a victim of identity theft, and have submitted a valid police report relating to the identity theft to the consumer reporting company.
