Dear [Name],

American Express Card® Account ending in: XXXXXX

I am writing to inform you of an incident involving a merchant where you have used your American Express Card.

A merchant accepting the American Express Card for payment informed us of a data compromise incident that led to the apprehension of an individual responsible for stealing cardmembers' information. At this time, we believe the affected data included your American Express Card account information and personal contact information. Based on our commitment to the highest level of security, we wanted to make you aware of the situation. Importantly, the compromised data did not include your Social Security number and our systems do not show any indication of unauthorized activity on your Card account related to this incident.

We also want to reassure you that, beyond our standard fraud controls, American Express has placed additional fraud monitoring on your Card, and we will contact you if we detect any unusual activity. In addition, here are steps that American Express is taking, as well as some steps that you can take to get more information:

- We encourage you to remain vigilant over the next 12 to 24 months and regularly review your statements. If you notice any suspicious activity on your American Express Card account or suspect identity theft, notify us immediately by calling 1-800-545-5058.
- You can also sign up to receive free alerts of irregular account activity via cell phone, PDA, pager, or e-mail by visiting www.americanexpress.com/alerts. Following our long-standing practice, we will not hold our Cardmembers liable for fraudulent charges.
- We are enclosing a tip sheet that contains information about how to obtain copies of your credit reports and information about how to set-up fraud alerts.

Your privacy is a priority for American Express. To keep you better informed, you may receive multiple notification letters if more than one of your American Express card accounts was impacted.

Should you have questions, please call 1-800-545-5058 and an American Express customer care professional will be happy to assist you.

We are committed to protecting the security of your personal information and hope you find this notification beneficial.

HELPFUL SUGGESTIONS (IF YOU ARE A VICTIM OF IDENTITY THEFT)

- **File a U.S. police report.** Get a copy of the report to submit to your creditors and others that may require proof of a crime.
- **Contact the U.S. Federal Trade Commission (FTC).** The FTC provides useful information to identity theft victims and maintains a database of identity theft cases for use by law enforcement agencies. File a report with the FTC by calling the FTC's Identity Theft Hotline: 1-877-IDTHEFT (438-4338); by mail, Identity Theft Clearinghouse, Federal Trade Commission, 600 Pennsylvania Avenue, N.W., Washington DC 20580; or online at www.consumer.gov/idtheft. Also request a copy of the publication, "Take Charge: Fighting Back Against Identity Theft."
- **Keep a record of your contacts.** Start a file with copies of your credit reports, the police report, any correspondence, and copies of disputed bills. It is also useful to keep a log of your conversations with creditors, law enforcement officials, and other relevant parties.
